NOTE:

In-Network Services for which the Covered Person has a Coinsurance responsibility are subject to the In-Network Deductible, in most cases.

Out-of-Network Deductible and Coinsurance amounts do not apply to the In-Network Deductible or Annual Limitation on Cost Sharing.

Expenses incurred for services that exceed specific benefit limits are not applied to the Annual Limitation on Cost Sharing.

The Covered Person may be responsible for difference between billed charges and the Allowance or Allowable Charges for services covered at the Out-of-Network benefit level.

Please note that Prior Approval does not guarantee payment or assure coverage; it means only that the information furnished to us at the time indicates that the service or equipment meets the Primary Coverage Criteria set out in your Benefit Certificate.

All Covered Services are subject to the Arkansas Blue Cross and Blue Shield Allowance or Allowable Charge.
