The information in this document tells you about the differences between your current benefits in BlueMedicare Value (PFFS) (H4213-016-004) and the benefits you will have on January 1, 2025, as a member of BlueMedicare Value (PFFS) (H4213-019).

## Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your plan premium does not count toward your maximum out-of-pocket amount.		Once you have paid \$7,500 out-of-pocket for covered services, you will pay nothing for your covered services for the rest of the calendar year.

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 – If you want to stay in BlueMedicare Value (PFFS)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our BlueMedicare Value (PFFS).

---

## Section 3.2 – If you want to change plans

---

We hope to keep you as a member next year but if you want to change plans for 2025 follow these steps:

### **Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan.
- – *OR* – You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare prescription drug plan. If you do not enroll in a Medicare prescription drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2025* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Arkansas Blue Medicare offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

### **Step 2: Change your coverage**

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from BlueMedicare Value (PFFS).
- To **change to Original Medicare and add a Medicare prescription drug plan or change to a different drug plan**, you must:
  - Send us a written request to disenroll from BlueMedicare Value (PFFS) or contact **Medicare**, at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, seven days a week, and ask to be disenrolled. ## SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2025.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2025, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2025.

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.
